

BHEL Renovates RCC drain and builds modern Public Utility Complex in Noida
as part of CSR initiatives

In continuation of its contribution to the Swachh Bharat Mission, BHEL has renovated the existing RCC drain in Sector-17, Noida, and built a modern Public Utility Complex for the benefit of the general public. Mr. Atul Sobti, CMD, BHEL inaugurated the project in the presence of Directors on the Board of BHEL and other senior officials of BHEL and Noida Authority. The construction of the project was carried out by the Noida Authority with funding from BHEL under its CSR programme.
