The businesses using public funds are always subject to scrutiny by various regulatory bodies. To ensure probity in commercial decisions taken to run such businesses, CVC has mandated an independent Vigilance setup in all PSUs. In order to re-affirm commitment of CVC to eradicate corruption and for spreading the awareness about role of Vigilance, Vigilance Awareness Week is observed every year during the week in which the birthday of Sardar Vallabhbhai Patel (31st October) falls.

The theme for this year's Vigilance Awareness Week is **“भ्रष्टाचार मुक्त भारत - विकसित भारत (Corruption Free India for a developed Nation)”** and the same is being celebrated from **31st October to 6th November, 2022**.

The Vigilance Awareness Week is an initiative to promote transparency, accountability, fairness and probity in the society as well as within the organization. A number of activities have been planned during the week to create awareness amongst the employees and stakeholders. Though the activities for vigilance awareness are confined to a week, the spirit of vigilance is timeless. The campaign against corruption must continue in order to move toward corruption free & developed India.

On this occasion, I appeal all the employees to renew their commitment to integrity and probity in all their public and personal dealings.

(Shiv Pal Singh, IFS)
