DT. 16/12/2016

1. Clause:3(E):

Existing clause: Participating contractor must have minimum total Three(03) tractors alongwith trolley or trucks or in combination registered in his name or in partner's name or in the name of his firm. Tractor (agricultural category shall not be valid) or truck or combination must be registered under commercial category. Copies of valid registration and insurance certificate are to be enclosed with tender documents.

Modified clause: Participating contractor must have minimum total Three(03) tractors alongwith trolley or trucks or in combination registered in his name or in partner's name or in the name of his firm. Tractor (agricultural category shall not be valid) or truck or combination must be registered under commercial category. Copies of valid registration and insurance certificate are to be enclosed with tender documents. **Alternatively, participating contractor must have valid lease agreement (duly notarized) for minimum total Three(03) tractors alongwith trolley or trucks or combination with bona fide owner of tractor-trolley (registered under commercial category) or truck or combination for a period of two years. The lease agreement shall also include the clause that owner shall not have any other lease agreement with any other party for these tractor trolley or truck, during the lease period of two years. Copies of valid registration and insurance certificate are to be enclosed with tender documents.**
