Central Vigilance Commission (CVC) aims to create awareness among employees and citizens to implement preventive measures effectively to provide a corruption free society, with this objective, Vigilance Awareness Week is observed every year during the week in which the birthday of Sardar Vallabhbhai Patel (31st October) falls in.

The Commission has decided that this year Vigilance Awareness Week 2022 will be observed from 31st October to 6th November, 2022, the theme for Vigilance Awareness Week this year is “**भ्रष्टाचार मुक्त भारत - विकसित भारत (Corruption Free India for a developed Nation)**”.

There is a need for a strong commitment and responsibility from every individual to eradicate corruption completely from society as well as from Organisation. It must be understood that by maintaining transparency in every action, selection procedures, and by maximising digitalisation and adhering to the ethical norms integrated with well woven practices & procedures are proven tools to eradicate corruption. We should demonstrate our best character even when nobody is watching us. This in long term, benefit both the society as well as organisation.

I wish all employee of our great organisation all the best in their endeavour to assimilate the concept of vigilant work force.
