

Message

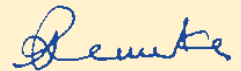

I am glad to know that nation is observing "Vigilance Awareness Week" from 31st October to 6th November, 2022. As an endeavour to foster an environment that instills a sense of integrity amongst the citizens of the country, CVC encourages all stakeholders to collectively participate in anti-corruption measures through different awareness programs. The Vigilance Awareness Week 2022 is being observed with the following theme:

**“भ्रष्टाचार मुक्त भारत - विकसित भारत”
“Corruption Free India for a developed Nation”.**

Corruption or unethical practices undermine our social, economic, political and behavioural development and affect our overall prosperity. Needless to say, when the society is vigilant and well-informed, there is no scope for corruption.

Over the years, Vigilance Department has made valuable contributions in awakening the conscience against corruption and taking necessary measures for its prevention and eradication. Vigilance Department lays stress on strengthening preventive vigilance and cultivating ethical practices in order to achieve organizational goals with transparency.

I express my best wishes for the concerted efforts and earnestly appeal to all employees to participate wholeheartedly during the week and continue efforts to ensure fairness and transparency in every action.

(Renuka Gera)
Director (IS&P)
