Date: August 06, 2022

Subject: Expression of Interest (EoI) for partnering with BHEL with regard to Maintenance, Repair and Overhauling of tanks and engines (T72 and T90) for Indian Army

Bharat Heavy Electricals Limited (BHEL), a leading Central Public Sector Undertaking of Govt. of India (www.bhel.com) catering to the core infrastructure sectors of energy, transportation, heavy engineering industry, defence, renewable & non-conventional energy etc., is seeking interest from interested parties for partnering with BHEL to address business of Maintenance, Repair and Overhauling (MRO) of tanks and engines (T72 and T90) for Indian Army.

Following areas are envisaged for partnership:

- a. Assembly and overhauling of engine and engine components
- b. Assembly and overhauling of tanks
- c. Localization of spares and support for development of local vendor base for spares
- d. Total MRO (Maintenance, Repair & Overhaul) services for the tanks

Interested Parties (having proven technology/ capability) willing to partner with BHEL to address the business of MRO of tanks and engines (T72 and T90) for Indian Army are requested to submit their response to below mentioned address (in hard/soft copy), along with details on proposed model for partnership, company background, technical features/data sheet, product catalogue, reference list and annual report/financial statements etc. latest by **August 29, 2022 (Monday)**.

Based on the responses received by BHEL, a separate request for partnership shall be issued by BHEL for selection of Partner(s) in the targeted areas of Maintenance, Repair and Overhauling of tanks and engines (T72 and T90) for Indian Army.

In case any clarification is needed, parties may contact as per following details:
