BHEL wins Governance Now PSU IT Awards 2023

New Delhi, December 11: For dedicated innovation and excellence in the field of information technology, BHEL has been adjudged the winner of three Governance Now PSU IT Awards for the year 2023. The Governance Now PSU IT Awards are given to honour the efforts and excellence of PSUs in IT. The company was unanimously selected for the awards in the categories of Cybersecurity and Data Protection, IT Innovation and Excellence in Software Development, by an independent jury.

The awards were received by Sh. J.P. Srivastava, Director (E, R&D) and Director (Finance) – Addl. Charge along with other senior officials of the company from Dr. Vikram Singh, Former DGP, Uttar Pradesh, at a function held in New Delhi.
