

Enquiry Corrigendum-1**NIT_30195**

Enquiry No. 2681600024 dated 12.11.2016

Item Description: **"Supply of Active Harmonic Filters to BHEL-PPPU, Thirumayam"****Details of Corrigendum:**

- * 1. In item 10, "Pre-Qualification Criteria for Active Harmonic Filter Panels" is replaced by **"Pre-Qualification Criteria, common for Items 10, 20 and 30"**.
2. In Pre-Qualification Criteria, i.e. Part A, point 1, Make of active harmonic filter panels: **Schneider/ Schaffner/ Delta/ InPhase or any other reputed make acceptable to BHEL.** Hence, Point A.1 of Part C-1 of item 10, Point A.1 of Part C-2 of item 20 and Point A.1 of Part C-3 of item 30 is eliminated.
3. Sl. No. 3 of PQC is edited as follows:
Only those vendors who have supplied minimum 415 V, 200 A and 565 V, 300 A active harmonic filter panels should quote. Such active harmonic filters should have worked satisfactorily for minimum six months from the date of commissioning. Performance certificate of the same should be attached along with the offer.
4. The following point is added to the existing text mentioned in point B.1 of Part B: General Conditions and Specifications for Active Harmonic Filter:
Make of critical components:
a. IGBT modules: **Reputed makes like Fuji, Semikron, Infineon are acceptable.**
b. Capacitor: **Capacitors from reputed brands like Electronicon, Hitachi, Schneider, Schaffner.**
c. Display and control unit: **Reputed brands like Fuji, Siemens, Schneider.**
d. **In case other makes are offered, BHEL reserves the right to accept or reject based on its performance feedback.**
5. Point J.1 of Part B: General Conditions and Specifications for Active Harmonic Filter is amended as
Warranty: Minimum 24 months from the date of commissioning of the active harmonic filter panels.

The offer should reach us before the time (14:00) of tender opening. All other terms & conditions as published in the above NIT No. remain unaltered.
