1.0 SCOPE OF WORK

The contract shall cover unloading of approx. 51000 nos. cement bags weight 50 kg each, from truck and do

stacking in shed no. 16 & 17 or any other location as decided by BHEL. Quantity of bags is tentative and it may vary on actual receipt. In case any other work is required to be done for shifting/unloading/stacking of cement bags, the same shall have to be done by the contractor without demanding any extra charge.

Rates are to be quoted on per bags basis. Work will be measured in per bag basis, duly stacked in Shed/unloading from trucks.

BHEL reserves the right to vary the number of cement bags to be shifted, and the contractor will be bound to execute the same accordingly, at his quoted rate. Co-ordination with concerned area in-charge has to be done by the contractor deployment of adequate number of workers and is under the scope of contractor.

1.1 The tenderer shall quote the rate considering cost of all materials, labour, required tools, tackles and for distance to be marched for shed & any other incidentals to complete. For carrying out the work.

1.2 Item wise detail of work to be executed is as below.

- (i) Opening of truck doors/dallahs/Lashes
- (ii) Unloading of cement bags from truck and shifting it to shed no. 16 & 17 or to any other location unloading of all bags is to be done manually
- (iii) Stacking of cement bags as per the instruction of BHEL.
- (iv) Counting of above bags after the stacking/ at the time of unloading from vehicles.
- (v) Closing of truck doors/dallahs after the removal of complete qty. of cement bags.

2.0 PERIOD OF CONTRACT: Full 12 Months from the date of commencement approximately 125-150 Number of trucks/trailers are likely to arrive within this time span. However unloading of consignment received at a time is to be done within 48 hours (from the date of placement of Truck/Trailer) inside / outside BHEL premises.

2.1 The work for unloading has to be executed continuously till the completion of unloading of that particular lot. In case of any delay or failure in carrying out work entrusted to the contractor, the department will be free to get the work executed through alternate sources at risk and cost of the contractor for which no claim shall be entertained.
