- d). Suitable Erection support materials to be supplied by vendor.
- e). The enquiry deviation form shall be submitted after filling up all the references and deviations if any duly signed and stamped.
- f). The BHEL standard enquiry terms and conditions (Annexure-B) shall be duly filled, signed & stamped and sent along with the offer.
- g). Entire project requirement will be considered as a single package for evaluation purpose and L1 finalization. L1 finalization will be done based on total cost BHEL basis and it includes the supervision of erection and commissioning charges, Commissioning spares and Training Charges.
- h). Inspection shall be carried out by respective BHEL approved third party inspection agency for indigenous vendors and the customer itself as per applicability. Foreign vendors need to submit all the necessary test certificates to obtain BHEL clearance before dispatch.
- i) Applicable Testing and Certification charges if any shall be indicated clearly and separately in the quotation. GST% applicable on the Testing and certification charges should be clearly indicated in the quotation. If the same is found to be missing then it would be taken as inclusive in the quoted amount.
- j). Two sets of O & M Manual consisting of approved drawings in PDF format (soft copy) in CDs are to be submitted to the buyer along with dispatch documents. No hard copy is warranted. Please note.
- k). The delivery dates indicated above are tentative and the exact delivery date will be indicated in the purchase order.
- l). In addition to technical and commercial conditions, vendors should note and follow the following conditions:
- a) "If new vendor is responding to this open tender who is not approved by customer, should get approved by customer before price bid opening. If vendor is not approved by customer before price bid opening, their offer will be rejected.
- b) " Also Vendor shall submit the filled in Supplier Registration Forms (available in www.bhel.com) along with their offer and parallel activity shall be taken for registering their firm with permanent category (Code) with BHEL".
- m). Important note for MSE clause:
All vendors are requested to note the Annexure X -Special clauses for Micro and Small Enterprises (MSE) suppliers.
If L1 vendor is an MSE vendor entire project package will be ordered on L1 vendor. If a Non MSE vendor is coming as L1, then L1 prices will be counteroffered on MSE vendor who is quoting price within the price band L1+15% and if they are agreeing purchase order will be awarded for full/complete supply of total tendered value to MSE. If more than one MSE vendors are available in the L1+15% price band then lowest of the MSE vendor will be selected for counteroffering. If lowest MSE vendor is not accepting it will be counteroffered to the next MSE vendor in the price band and so on. Finally if any of the MSE vendor in the price band is not accepting it will be ordered on L1 non MSE vendor. MSE suppliers can avail the intended benefits only if they submit along with the offer, attested copies of documents as mentioned in the Annexure X.

Since the complete enquiry requirement is being considered as a single package for tender evaluation purpose, therefore, MSE clause will not be applicable to those indigenous vendors who are quoting only for a part of the enquiry in partnership with a foreign vendor. MSE clause can be used only by an indigenous vendor who is quoting for the full enquiry requirement on its own. All the MSE related current and valid documents must be provided along with the offer without fail.

Bidder who wish to participate in e-Tender need to fill data in predefined forms of Price bid available in respective tender only. After filling data in predefined forms bidders need to click on final submission link to submit their encrypted bid. Bidder need to submit Document Fees, EMD & Reference Documents in hard copy if such instruction are given by tendering authority. As Per the new Inter-operability guidelines released by Controller of Certifying Authorities(CCA), the Secured Socket Layer(SSL) certificate for a e-procurement application is generated on a new algorithm, SHA2.

Also, the Digital Certificates that will be applicable for these platforms have to be SHA2 algorithm compliant. For the same, the users have to ensure that they have Windows XP(SP3)/Windows Vista/Windows7 installed in their respective PC/Laptop. In case of Windows XP Service pack - 3, if you get any issue you can install the SSL patch, which is available at our download section of our e-Tender/e-Auction Portal and also at our corporate website www.abcprocure.com just below the label of "Knowledge section".
